The Institute now has five branches of Engineering viz CSE, EEE, ECE, Civil, Mechanical and Basic Sciences and Humanities Department and opened courses on B. Tech., M. Tech., M. Sc. and Ph.D.

ABOUT WORKSHOP

Faculty development programme (FDP) aims at the professional development of faculty members of institutions of management education. It is a programme for improving the knowledge and skills of the faculty, so that they can share this knowledge with the students, and improve the teaching experience. The major focus of the FDP is upgrading the teaching, training and research skills of management teachers- especially those teachers who have not had an opportunity to acquaint themselves with recent developments in teaching and research methods. It is a residential programme that provides rigorous training in general management principles, pedagogical techniques (including case method), cutting-edge research

methods and advanced topics in specialized areas. The program enables participants to develop competency in general management education as well as in management research and pedagogy.
