INDIA- 795004,**

## ABOUT THE INSTITUTE

National Institute of Technology Manipur, a centrally funded institution is set up to impart quality technical education at various levels of higher learning. It is one of the ten new NITs established and developed as Institute of National Importance. The functioning of the institute was started at its temporary Campus at Takyelpat, Imphal under the mentorship of NIT, Agartala. The Institute has acquired 341 acres of land in the lush green areas of Langol, Imphal. The Institute now has five branches of Engineering viz CSE, EEE, ECE, Civil, Mechanical and Basic Sciences and Humanities Department and opened courses on B. Tech., M. Tech., M. Sc. and Ph.D.

## ABOUT WORKSHOP

An induction programme is a process to welcome new students to the institute and prepare them for their new role. The aim of the workshop is to give the faculty members a broad view about the induction programme for new students with detailed discussion on the following topics: Universal human values and ethics, Sensivity towards self and one's relationship. Build awareness about others and society beyond the individual, Harmony in the society, harmony in nature, Happiness and prosperity, The role of education in the holistic development of the society, Broad understanding of society and relationships, Value in relationships-Gratitude, The role of education in the developemnt of the competence to live with definite human conducts, relation between success in life and education, Education-Expectation and Outcome, Role of self, Responsibility of teacher. These programs can also

play a critical role under the socialization to the organization in terms of performance, attitudes and organizational commitment. In addition well designed induction programmes can significantly increase the speed to competency of new students.
